ArtfulBits License Agreement

Software for Microsoft® SharePoint®

VERY IMPORTANT - READ CAREFULLY: This ArtfulBits Software License Agreement (hereinafter, this "LICENSE") is a legal agreement between you (either an individual or a single entity) and ArtfulBits, Inc. ("ArtfulBits"), for the software containing this LICENSE or products identified in the distribution package which contain computer software and associated media and printed materials, and may include "on-line" or electronic documentation (the "SOFTWARE") and for which the License-Key(s) are obtained through Artfulbits or its authorized distributor.

IT IS NECESSARY FOR YOU TO AGREE TO BE BOUND BY THE TERMS OF THIS LICENSE BEFORE YOU ARE PERMITTED TO CONTINUE TO INSTALL THE SOFTWARE. BY INSTALLING, COPYING, OR OTHERWISE USING THE SOFTWARE, YOU AGREE TO BE BOUND BY THE TERMS OF THIS LICENSE INCLUDING THE WARRANTY DISCLAIMERS, LIMITATIONS ON LIABILITY AND TERMINATION PROVISIONS.

If you do not agree to the terms of this LICENSE please DO NOT INSTALL, COPY, OR OTHERWISE USE THE SOFTWARE. You will be entitled to a full refund of the amount paid for the SOFTWARE provided you return the unused SOFTWARE to the place from which you obtained it within thirty (30) days of the date of purchase.

I. OWNERSHIP; LICENSE GRANT.

This is a license agreement and NOT an agreement for sale. ArtfulBits continues to own the copy of the SOFTWARE contained in distribution package and all copies thereof. Your rights to the SOFTWARE are specified in this LICENSE, and ArtfulBits retains all rights not expressly granted to you in this LICENSE. ArtfulBits hereby grants to you, and you accept, a non-exclusive, non-transferable license to use, copy and modify the SOFTWARE only as authorized below.

ArtfulBits SOFTWARE provides services or functionality on a WSS v3.0 (Windows SharePoint Services v3.0), MOSS2007 (Microsoft Office SharePoint Server 2007), SPF2010 (SharePoint Foundation 2010), SPS2010 (SharePoint Server 2010) SPF2013 (SharePoint Foundation 2013), SPS2013 (SharePoint Server 2013) Farm, and allows single personal computers, terminals, handheld computers, pagers, telephones, personal digital assistants, and/or other electronic devices to access or use the SOFTWARE.

II. PERMITTED USES. This LICENSE grants you the following rights:

a. Installation.

You may install only one copy of SOFTWARE on a single WSS v3.0, MOSS2007, SPF2010, SPS2010, SPF2013 or SPS2013 Farm, irrespective of the number of servers within said Farm. Each copy of SOFTWARE requires its own Farm License to run, and an additional Farm License is required if you install another copy of the SOFTWARE on a different single WSS v3.0, MOSS2007, SPF2010, SPS2010, SPF2013 or SPS2013 Farm.

b. ArtfulBits Product Licensing Requirements.

ArtfulBits software licensing model consists of one license type: Farm Licenses. Farm Licenses may only be applied to Farms. Once a full license has been applied, SOFTWARE will run without an expiration date. A Farm License is generated from the Farm ID without any limitation of number of end-users in said Farm.

c. Reassignment of Farm License.

Each Farm License can only be applied to a Farm ONCE. Reassignment of previous Farm Licenses from one Farm to another is not possible if the Farm ID changes.

Exception includes instances of licensed Farm decommissioning in the case of migration from MOSS2007 to SPS2010, system breakdown that has resulted in decommissioning of the licensed Farm. In this case, ArtfulBits permits issuing new License ONCE.

Reassignment of Farm License in the case of migration from MOSS 2007 or SPS2010 (SPF2010) to SPS2013 (SPF2013) is not permitted.

d. **SOFTWARE License Issuance Policy.**

ArtfulBits will issue a license code only after all monies owed ArtfulBits have been paid in full and cleared by ArtfulBits's representative bank, and ArtfulBits has received your Farm ID. After confirmation that ArtfulBits has received payment in full and receipt of your Farm ID, ArtfulBits will issue you a unique license code for use on one farm.

e. **Evaluation.**

You may use the trial versions only for the limited purposes of demonstrations, trials and design time evaluations and running a product tour

f. **Subscription License.**

The Support Subscription License ("SUBSCRIPTION") is built on top of the Farm License. The ArtfulBits Support Subscription licensing model consists of five license types: Trial, Basic, Per Issue Full and Enterprise.

Trial SUPPORT SUBSCRIPTION implies technical support limited to 1 incident during the trial period of the License.

Basic SUPPORT SUBSCRIPTION implies a guarantee for full license that critical bug will be fixed and delivered. Trial and Basic SUPPORT SUBSCRIPTIONS are provided at no fee. It grants rights to all minor versions of the particular licensed Software.

Per Issue SUPPORT SUBSCRIPTION includes all features of Basic SUBSCRIPTION and provides a possibility of migration to the major version of the particular licensed Software, helps in customization and issue solving.

Full SUPPORT SUBSCRIPTION includes all features of Basic and Per Issue Support. It further grants a possibility to upgrade any previously issued license to all versions (minor and major) of any licensed ArtfulBits SharePoint Software released during the period of the subscription. Full SUBSCRIPTION grants: Bug Tracking System ("BTS") access; high priority feedback; access to the latest fixes and builds; live help in customization and issues solving; live interaction with developers team; number of incidents is unlimited, number of License reassignment incidents (see section II.c.) is unlimited, and valid only for specified period, that originally is 1 year. At the end of the period, on customer request, Full SUBSCRIPTION can be prolonged for the next year.

Enterprise SUPPORT SUBSCRIPTION includes all features of Full SUBSCRIPTION and further grants an access to the source code on the components. Enterprise Subscription can be applied only to bundles and suites. It is not provided for the detached components.

g. **Developer License.**

ArtfulBits Developer License for Software is intended for testing and development purposes. One Developer License is valid for 1 year and can be installed on 10 Farms. A requirement for obtaining Developer License is Full Support Subscription.
